</tbody>
</table>

This addition will appear in the Approved List available on the Internet at [https://www.dot.ny.gov](https://www.dot.ny.gov) under the heading **Approved List of Materials**. We recommend that you include a copy of this letter with shipments to indicate your status on the Approved List.

If there are any changes in the name, manufacturing, formulation, or location of supplier of this product, you must inform the Materials Bureau immediately for action on continued acceptability.

We also wish to inform you that this letter shall in no way be used for promotional purposes such as a copy of this letter in any form used as advertisement in any sales literature or trade magazines.

If there are any questions, contact Michael Crannell of the Materials Bureau at (518) 457-4597.

Very truly yours,

William R. Feliciana, P.E.
General Engineering
