Dear Mr. Buckley,

We received your new product submittal, AC100 + Gold, for use as an epoxy bonding agent for resin anchor systems.

Based upon the certification and information that you have submitted, we are approving your product for use and will add AC100 + Gold to the Qualified Epoxy Bonding Agents for Resin Anchor Systems, FS-1039 Table 5.

Please be advised that approval of your product is contingent upon continued compliance with the specification and upon satisfactory field performance.

If you have any questions feel free to give me a call at 573-526-4351.

We appreciate your interest in working with MoDOT.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffery S. Joens", written in a cursive style.
