Dear Ms. Hinkley,

The Maine Department of Transportation's Product Evaluation Program has completed its evaluation of the subject product, MaineDOT reference number #18-077.

We are pleased to announce that we have accepted your product for inclusion on our Qualified Products List (QPL) of Epoxy and Resin Bonding Agents and will appear on our QPL shortly as a Type IV, Grade 3, and Class A product. Please note that all products are required to be requalified every 5 years to remain on the QPL.

Please let me know if you have any questions. We appreciate your interest in doing business with MaineDOT.

Sincerely,

Dawn Bickford
