Dear Bryan:

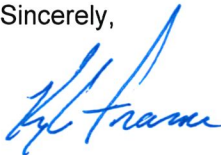

We have reviewed your request for approval for DeWALT CCU+ undercut concrete anchors. Based on the documentation provided this product has been approved for use on Iowa DOT projects. The above mentioned product will be added to the Iowa Materials Approved Products List Enterprise (MAPLE) Appendix A of IM 453.09.

To search MAPLE, please visit <https://maple.iowadot.gov>.

The approval may be withdrawn at any time because of deficient test results, product changes or unsatisfactory field performance.

Please feel free to contact me if you have any questions.

Sincerely,

Kyle Frame, PE
