Dear Mr. Antoinette:

Thank you for submitting your product for prequalification with the State of Kansas. Based on the information submitted, Pure110+ has been approved and will be placed on our Prequalified List 10.5, "Prequalified Epoxy-Base Bonding Systems for Concrete" for the following Type, Grade and Class: Types I, II, IV and V, Grade 3, Class B and C.

This product will remain on the prequalified list as long as the formulation and manufacturing processes remain unchanged and the field experience indicates that the material is functioning appropriately. Please notify me immediately concerning any changes to your products or processes.

If you have any questions, or wish to submit any other products for prequalification, feel free to contact me at your convenience.

Sincerely,

A handwritten signature in black ink that reads "Stacey M. Lowe". The signature is written in a cursive, flowing style.
