Mr. Glen H. Gaskill
Branch Manager
Powers Fasteners, Inc.
701 E. Joppa Road
Towson, Maryland 21286

Dear Mr. Gaskill:

Product Evaluation of DeWALT Pure 110+

This letter supersedes letters dated November 20, 2017 and March 27, 2018.

Thank you for submitting DeWALT Pure 110+, along with product literature and an independent testing report. The Michigan Department of Transportation (MDOT) has evaluated the submitted information and conducted quality assurance testing for this product.

Testing was completed in accordance with MDOT's Qualification Procedure for Adhesive Systems for Structural Anchors and Lane Ties, as outlined in Subsection 712.03J of the *Materials Quality Assurance Procedures Manual*.

Based on results of the product evaluation and testing, DeWALT Pure 110+ meets the requirements of MDOT's Qualified Product List (QPL). This letter is verification of MDOT's approval until the QPL has been updated.

If you have any questions, please contact me at 517-322-1979 or kulkarnis@michigan.gov.

Sincerely,

A handwritten signature in black ink that reads "S.R. Kulkarni".

Mr. Antoinette:

Pure 110+

The Michigan Department of Transportation (MDOT) has completed review and evaluation of the above-referenced product.

MDOT has approved this product and will be placing this product on the 603.03.B.2 Qualified Products List (QPL) for Concrete Pavement Repair, Grout for Full-Depth Concrete Pavement Repairs.

Thank you for your interest in Michigan's transportation system. If you have any questions, please feel free to contact me at (517) 322-5695.

Sincerely,

John A. Belcher II, P.E.
Concrete Engineer
