Bob Antoinette, P.E.  
Sr. Project Engineer  
DEWALT  
701 East Joppa Road  
Towson, MD 21286

Subject: DEWALT Pure110+

Mr. Antoinette,

The Office of Materials Management is writing to inform you that DEWALT Pure110+ has been approved and added to the Qualified Products List. The product meets the requirements of Item 705.20 Non-Shrink, Non-Metallic Materials. Based on ODOT Specification Guidelines, the product conforms to ASTM C881, Type IV, Grade 3, Class B & C. Please be mindful of the annual recertification requirements and the Department specifications with regards to the product moving forward.

The QPL list is available at the link below:

[Qualified Products List \(state.oh.us\)](https://state.oh.us)

*Note: To locate the item, select item 705.20 from the drop-down list and click View Report.*

If you have any questions or concerns, please reach out to me at [Mohamed.Salim@dot.ohio.gov](mailto:Mohamed.Salim@dot.ohio.gov), or at (614) 752-6997.

Regards,
