Re: Product ID No(s): 15093, 15096, 16020
Product(s): Pure 50+, Pure 110+, AC50 Silver
Subcategory(s): A-6 – Dowel Bonding Adhesive

Bob:

The Arizona Department of Transportation (ADOT) has approved the products listed on the enclosed excerpts from ADOT's Approved Products List (APL). Please note the product names associated with your company and the notes, limitations or conditions listed.

Approved products were added to the March 2017 APL. A copy of the list can be obtained from the Internet at the following address: <http://www.azdot.gov/apl>.

Please note that ADOT does not endorse these products, nor can this approval be used as an endorsement. It is your responsibility to recertify these products every five years or any time these products are modified. If you fail to comply with this policy, these products will be removed from the APL.

Sincerely,

Stephanie Huang, PE
Product Evaluation Program Engineer
